Connect to Your Strymon Pedal

Connect MiniSwitch to the expression or boost jack of your Strymon pedal with the included TRS cable.

Connect to Your Strymon Pedal (cont.)

Operation & Set-up for Products with Toggle Switches

With MiniSwitch, you can place your pedal anywhere on your board to access a Favorite preset, engage a volume boost, or tap in your tempos remotely. Perfect for large rigs or boards with pedals fighting for real estate.
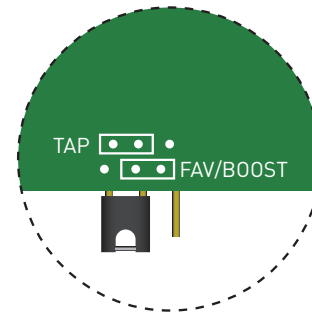

Remove the back cover of your MiniSwitch to gain access to the internal jumper. Select either FAV / BOOST MODE or TAP TEMPO mode.

*Close up view of circuit boards.
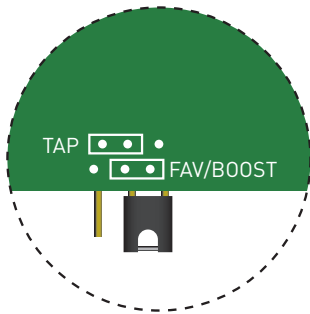

FAV / BOOST MODE

Place the jumper on the RIGHT 2 pins. (this is how MiniSwitch ships from the factory).

TAP TEMPO MODE

Place the jumper on the LEFT 2 pins.

MiniSwitch Functionality Overview

Pedals that support Tap Tempo
• BigSky, Deco, DIG, Flint, Mobius, and Timeline

Pedals that support external Favorite Switch
• Brigadier, Deco, DIG, El Capistan, Flint, Lex, Riverside, and Sunset

Pedals that support an external Boost switch
• Riverside

BigSky

TAP TEMPO MODE SETUP

1 Press and hold the VALUE knob for 2 seconds to access the Globals menu.

2 Turn until the display reads EXP MD (expression mode).

3 Press the VALUE knob.
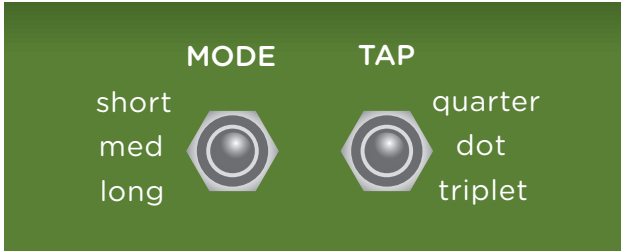

4 Turn until the display reads TAP.

NOTE: To switch back to Expression pedal operation, follow steps 1-3 above, and then turn the VALUE knob until the display reads PEDAL.

Brigadier

FAVORITE MODE SETUP

1 Set both toggles to the MIDDLE position.

2 Power up holding BOTH footswitches.

To switch back to Expression pedal operation, set both toggles to the TOP position and power up holding both footswitches.

How to save and access a Favorite preset:

Strymon Non-Transferrable Limited Warranty

Warranty

Strymon warranties the product to be free from defects in material and workmanship for a period of two (2) years from the original date of purchase when bought new from an authorized dealer in the United States of America or Canada. If the product fails within the warranty period, Strymon will repair or, at our discretion, replace the product at no cost to the original purchaser. Please contact your dealer for information on warranty and service outside of the USA and Canada.

Exclusions

This warranty covers defects in manufacturing discovered while using this product as recommended by Strymon. This warranty does not cover loss or theft, nor does the coverage extend to damage caused by misuse, abuse, unauthorized modification, improper storage, lightning, or natural disasters.

Limits of Liability

In the case of malfunction, the purchaser's sole recourse shall be repair or replacement, as described in the preceding paragraphs. Strymon will not be held liable to any party for damages that result from the failure of this product. Damages excluded include, but are not limited to, the following: lost profits, lost savings, damage to other equipment, and incidental or consequential damages arising from the use, or inability to use this product. In no event will Strymon be liable for more than the amount of the purchase price, not to exceed the current retail price of the product. Strymon disclaims any other warranties, expressed or implied. By using the product, the user accepts all terms herein.

How to Obtain Service Under this Warranty

For North American customers: Contact Strymon through our website at **strymon.net/support** for Return Authorization and information. Proof of original ownership may be required in the form of a purchase receipt.

For International Customers: Contact the Strymon dealer from which the product was purchased from in order to arrange warranty repair service.
